SERIES: The Church Alive!

Title: Vertical Vision

Scripture: Exodus 34:5-14; Psalm 96:1-9

“Most middle class Americans tend to worship their work, to work at their play, and to play at their worship. As a result, their meanings and values are distorted. Their relationships disintegrate faster than they can keep them in repair, and their lifestyles resemble a cast of characters in search of a plot.” Gordon Dahl

I. THE ESSENCE OF WORSHIP

What is worship? “Worship is honor and adoration directed to God.”

Ephesians 1:16-19

The highest and most powerful human experience is to express our love to the
(_____) of that affection. When we
(_____), our joy is magnified. When we
settle for less, when we take our adoration elsewhere, we are not just insulting God, we
are losing out on delighting in God.

II. THE EXPRESSION OF WORSHIP

Several things to notice about Exodus 34:

1. Moses is worshiping in (_____).
2. Authentic worship always begins (_____).

We become (_____). Authentic worship is not about me, it is about Him. It is acknowledging our unworthiness but His worth. It acknowledges our sinfulness, but His sinlessness. It acknowledges our destitution without Him, but His sufficiency.

“We are not producing worshipers in this country. Rather, we are producing a generation of spectators, religious onlookers lacking, in many cases, any memory of a true encounter with God, deprived of both the tangible sense of God’s presence and the supernatural relationship their inmost spirits crave.”

To keep in mind:

- 1) Worship is internal, not simply external.
- 2) Worship must be in spirit and truth. It is not just a matter of sincerity.
- 3) Worship is not all mind. There must be spirit.
- 4) Worship must be genuine, not fake or hyped.
