## I. SERIOUSLY? HE ROSE?

Most recent survey: 66% say they believe the biblical accounts of the physical resurrection of Jesus are completely accurate, 20% disagree, 14% not sure.

One thing very good atheists and very good Christians have in common: the central issue for these diametrically opposed groups is the (resurrection of Jesus Christ).

Arguments against the resurrection:

1. The (swoon) theory.
2. The (fraud) theory.
3. The (wrong tomb) theory.
4. The (dogs ate it) theory.

## II. SERIOUSLY. HE ROSE!

If you and I are to have any hope for the future, it must rest in the truth that Jesus rose from the dead.  
{See 1 Cor. 14, 17, and 19}

The resurrection is a (crucial belief) of the church.

One of the major themes of the NT is (eternal life for the Christ-follower).
